

18th October 2017

Dear Parents/Carers

### After School Orchestra

The Rockwood Academy Music Department is always searching for new and exciting ways of developing our young musicians and involving them in practical music making. Extra-curricular activities which support the arts are a fantastic opportunity and will provide your child with a fun, social and academic experience. Therefore, I am pleased to inform you that your child has expressed interest in attending school orchestra rehearsals.

The new orchestra will run every Monday night after school and will finish at 4:15pm. The club will run until the end of the year. Parents will be informed in the case of any cancelled sessions in the future. The aim of the club is to encourage your child to develop themselves as musicians through practicing their instrument and also through allowing them the experience of playing and performing with other like-minded individuals.

Please complete the attached reply slip to confirm your child's attendance and return it to Miss Wilkins by Friday 20<sup>th</sup> October. The start date for the club will be Monday 30<sup>th</sup> October, after half term.

Yours sincerely

**Miss L Wilkins**  
Music Teacher

### After School Orchestra

My child will be attending school orchestra rehearsals after school from **Monday 30<sup>th</sup> October 2107.**

I give my consent for my child to attend.
