Dear Parent/Carer

### **Mosaic Enterprise Challenge**

Your child has been selected to participate in the Mosaic Enterprise Challenge as part of their Business Studies lessons. The Mosaic Enterprise Challenge is an annual national competition for secondary school students across the UK, designed to develop and encourage their entrepreneurial skills.

As part of the programme, teams of students work with a mentor from the business community to learn about becoming future business leaders, play a simulation game, and come up with fantastic business ideas. The winning team receives a unique VIP trip, and in the past winning teams have enjoyed trips on the London Eye, tea with the Prime Minister's wife at 10 Downing Street, a unique tour of Clarence House and a tour of HM Treasury. The winning team is also supported by Mosaic to develop and launch their business idea, with prize money of £500, with the winning school receiving an additional £2000.

Mosaic requires data on all students participating in their programmes. Therefore, I have attached a data form, a consent form and a media consent form for you to complete. Could you please return them to me by **Wednesday 17<sup>th</sup> January 2018**.

If you require any further information please Miss Bi Baroo.

Yours faithfully
