Dear Parents/Carers

Religious Education Revision Guide Books

We trust that your child has started their revision for the GCSE examinations in the summer and to supplement their efforts we advise that students have their own revision guides. This will allow them to make annotations, practise different styles of questions and keep up to date with their subject knowledge through the course of the year.

We are able to purchase the revision guides for our students at the highly discounted price of £2.75 each (rather than £5.99, if you were to order it yourself).

If you would like to purchase a revision guide for your child, please complete the attached reply slip and hand it in to the academy's reception together with the payment by **Friday 26th January 2018**.

Yours sincerely
