21st May 2018

Dear Parent/Carer

Year 10 Girls STEM Careers Showcase Event – Thursday 24th May 2018

Your daughter has been selected to attend the inaugural STEM Careers Showcase event at the Royal Military Academy Sandhurst.

This is a fantastic opportunity for your daughter to gain an exclusive insight into the various STEM related careers.

Below is a summary of the events your daughter will participate in on the day:

Events on the day will include:

- Inspiring talks by STEM female role models
- Career stands provided by military STEM employers
- Career stands provided by industry partners
- STEM Higher Education Providers/Apprentice Schemes/Supported Education Schemes
- Interactive STEM activities and challenges

The trip will take place on **Thursday 24th May 2018**. We will be travelling by the academy's mini bus and your daughter will be supervised by members of the academy at all times. We will meet at the academy at **6:00am** and will return at approximately **6:30pm**. Please indicate whether your daughter will be allowed to make her own way home or whether she will be accompanied home.

Students may bring sandwiches, snacks and drinks with them for the journey. Students are required to wear their Rockwood uniform.

Please complete the attached consent form and return to the Science office by **Tuesday 22nd May 2018**.

Yours sincerely

Miss F Bibi
Head of Science

Mrs A Maes-Prior
Deputy Headteacher
